

Summer Reading Assignment
for Mrs. Kruck and Ms. Reif 9th and 10th graders

Students:

You need to choose an author or historical figure that has had a significant impact on the world and read a biography about their life. Your information needs to come from a book. Please choose your sources wisely, so your information is correct and you have enough of it. Remember to write down the title of the book and the author.

Next, you need to write an essay summarizing the influence the person had on the world. Remember a paragraph is 8-10 sentences and an essay is 5-8 paragraphs long. Have your essay typed or written in blue or black ink on college rule paper. There is no need to put this in a folder or binder just staple it in the right hand corner. For extra credit you can make a power point or poster presentation for your biography to be presented to the class.

This is due the first day of school August 16, 2010.
