September 2010

Principal's message:

Our first year is off to a great start! I need to mention just a few things. First, eSembler is now available. Please create a new account and check it frequently. Second, teacher email addresses are available on the school website. Please contact your child's teacher if you have questions about their class or classwork. Finally, please encourage your child to use their planner for important school activities. Our goal is to help your child have a successful year. Together, we can make it happen.

Read This Before Shopping For Homecoming!

The dress code for the homecoming dance will be semi-formal. This means boys in suits or dress shirts, dress pants and ties. No jeans, tennis shoes, polo shirts or T-shirts. For girls this means dresses or dressy pantsuits. The dresses must meet the school dress code in terms of length, cleavage coverage and must cover the midriff area (no belly buttons showing). No "bubble" dresses will be allowed. These rules apply to the dance and to halftime court presentation.

Any student, who is not dressed appropriately, will be asked to go home and change. No refunds will be issued for dance tickets.

eSembler Now Available

The online gradebook is now available to parents and students. Everyone must sign-up for an account, even if you had an account last year.

There is a link to eSembler from our school website: fhs.pasco.k12.fl.us or you may log on to the website: <https://grades.pasco.k12.fl.us>

To create an account, you will need the student name as it appears on a report card (or schedule), the student number, the student's date of birth, last 4 digits of their social security number (SSN) and their zip code. If a student does not have a SSN or one was not given to the school, use 0000.

Find us on the web at:
fhs.pasco.k12.fl.us

Safety Reminders:

Parents please remember, for student safety, the student drop-off and pick-up is located in the front parking area off of Chicago. Please do not pick-up or drop-off students in the back parking lot. Parents of walkers, please remind your child to use the designated crosswalks and sidewalks when walking to and from school.

At this time all students have been issued a planner, which contains a copy of the Pasco County Student Code of Conduct. It is the student's responsibility to read this code of conduct and to follow all policies contained within this code. Administrators and Guidance Counselors will be meeting with groups of students over the next week to discuss the code of conduct, specific rules and procedures for FHS and expectations for students at Fivay High School.

If you have questions or concerns, please contact us at 813-346-1000.

Notification of Inspection for Asbestos Containing Materials in Public Schools

The Environmental Protection Agency (EPA) has issued a final rule, 40CFR Part 763, Asbestos Containing Material in schools, commonly referred to as AHERA. This rule requires all Local Education Agencies (LEA's) to identify asbestos containing materials in their school buildings and to take appropriate actions to control the release of asbestos fibers.

All inspections for Fivay High School have been completed and a Management Plan describing the results of the inspection and the action plan to control any asbestos found during the inspection, where applicable, has been submitted to the Governor for approval. A copy of this plan is located in the administrative office of this school and at the District School Board of Pasco County Maintenance / Facility Operations Department and is available for review upon request.
