

FIVAY FRESHMEN FALCONS

3rd Annual Freshmen Falcons Summer Orientation Thursday, August 8, 2013

The 3rd Annual Freshmen Falcon Summer Orientation will be held on Thursday, August 8, 2013, from 8:30 a.m. until 12:00 p.m. at the Fivay High School campus. The Summer Orientation is a three-hour program that will provide incoming freshman with essential high school information. The first two hours of the session will be geared towards students and their high school expectations. Representatives from vital areas of Fivay will be in attendance to explain their departments, programs and clubs. At the conclusion of the two-hour student session, parents will be requested to attend for an additional thirty minutes in order that they may receive their students' 2013-2014 schedules, and complete necessary parent/guardian information.

Parents, if applying for free or reduced lunch, please make sure to bring your food stamp account number, and your yearly salary average. There will be an informational session for parents during their child's orientation as well.

SUMMER ORIENTATION HIGHLIGHTS

***I'm in High School...Now What?
Academic Success and What it Means to You
Number-crunching...What a zero does to your GPA
End-of-Course Exams...Keys to Success!
