

Fivay High School Student Parking Application

Students must understand that driving an automobile to FHS and parking on school property is a privilege and not a right. We retain the right to revoke parking privileges at any time during the school year for violations of the Student Code of Conduct or the Parking Procedures. Neither FHS nor the District School Board of Pasco County is responsible for any theft, damage, vandalism, or mishap that may occur to any vehicle parked on the campus of Fivay High School.

I have read and understand the rules regarding parking at Fivay High School. I agree to abide by the rules and understand that failure to do so will result in the suspension/revocation of my parking privileges.

The following will result in the loss of parking privileges:

- Failure to maintain a 2.0 GPA
- Being in the parking area during the school day without permission
- Transferring or receiving a parking tag that belongs to another vehicle
- Parking in an unauthorized area
- Reckless driving and/or speeding in the parking lot, or within perimeter of the school grounds at any time
- Leaving campus without permission and transporting other students off campus
