FOR IMMEDIATE RELEASE

September 25, 2017

HUDSON, FL: Fivay High School and River Ridge High School would like to invite all individuals and families who sheltered or volunteered at Fivay and River Ridge High Schools to join us for this Friday's Home Football game September 29th at 7:30 pm at Fivay High School.

We are honored that so many members of our community trusted Fivay and River Ridge to provide safety and shelter during hurricane Irma. Over 5000 members of our community, sheltered and weathered the hurricane at these two schools. You stood tall with us during this challenging time.

Now the Fivay and River Ridge Administration and Staff would like to invite all shelter residents and volunteers back to celebrate all the great relationships and comradery that was on display during this trying time. Come enjoy a football game with us and see Fivay and River Ridge High Schools in a different light. Afford us the opportunity to thank you in person to show our appreciation to the community who worked together to help the Fivay Shelter and River Ridge Shelter run smoothly and safely.

A special recognition and walk around the track will take place during half time in honor of the many volunteers and shelter residents.

Tickets are \$5.00. Parking is \$3.00

Again, thank you for all of your support.
