Dear Falcon Families of Senior Students:

The state of Florida requires students to obtain a 350 or above on the Florida Assessment of Student Thinking (F.A.S.T.) 10th grade ELA test and a 497 or above on the F.A.S.T. Algebra 1 exam to earn a diploma. Students who do not obtain the ELA score may substitute an SAT score of 480 or above on the SAT EBRW portion and/or those who do not obtain the Math score may substitute an SAT score of 420 or above on the SAT Math test to meet the requirement.

We want to let you know that Fivay High will administer a non-college reportable SAT test experience on **October 11, 2023** for SENIORS who have not met one or both graduation testing requirements.

Students who participate in this SAT experience will be granted **50%** extra time in hopes that the extra time will give the student a better chance to earn the necessary SAT scores. However, because these accommodations have not been officially approved by SAT, student results from this test experience will not be shared with colleges or scholarship agencies. ***It is worth repeating that the SAT scores earned during a non-college reportable SAT administration cannot be used for college admissions or scholarship purposes.***

Background: Normally, a student who receives accommodations on the SAT (extended time or special testing) has to apply for those accommodations. SAT approves those accommodations based on the properly submitted paperwork and documentation.

SAT allows high schools to offer non-college reportable accommodations (during an SAT weekday test only) to students who might not otherwise receive accommodations due to not having an IEP or 504 plan. Because your child has not yet passed the Grade 10 ELA test and/or the Algebra 1 exam, we hope this non-college reportable, extended time SAT test experience will provide him/her with the best opportunity to satisfy the graduation requirement(s).

Cost: For the Fall 2023 administration, the District School Board of Pasco County is paying the SAT Non-Reportable registration fee for SENIORS who still need to meet the testing graduation requirements.

If you have questions regarding the SAT Non-College Reportable administration, please contact Ms. Binder.

October 11@8:10am; building 1 upstairs

Bring a few small snacks, drink, sweater, and be prepared to stay. This exam must be complete to earn a score!

----- **[Tear Here]**

Request: Fivay High wants to make sure that you and your child understand the purpose of this administration. Please sign and return the below statement by **October 6, 2023** if your child wishes to participate in this non-college reportable SAT test experience: I understand that the SAT score earned during this administration **could** count toward graduation requirement(s). Further, I understand that any SAT subject area or composite score earned during this non-college reportable accommodation experience **cannot be reported** to any colleges for admissions or scholarship purposes.
